SUSPENSEFUL THEATRE OPENS APRIL 19th

CLUE, with its clever plot twists, witty dialogue and unforgettable characters, is a must-see for fans of the board game and lovers of suspenseful theatre. The production stays true to the spirit of the original game while adding fresh and exciting twists that you won't see coming.

CLUE is directed by Bob McCue, whose vision and creative storytelling brought us 'The Odd Couple', 'Skin Flick', 'The Sunshine Boys', 'Steel Magnolias', 'Next', and 'Almost, Maine'.

"Whether as an actor or director, I have always enjoyed the thrill of enticing people to laugh", says McCue. "Our rehearsals have been filled with hilarity, and our talented cast and crew can't wait to share this experience with you. Clue, with its fast pace and witty banter will either have you on the edge of your seats or rolling in the aisles."

Tickets are \$25, and \$20 for CCT members & students. **Hurry! April 19th & 28th are already SOLD OUT!**

What makes a great murder mystery?

The essence of a murder mystery story is that everything should make sense in the end. There can be no loose ends, and no questions can be left unanswered. A strategy to avert this is to work backward. Think carefully about how things got to the moment of the big reveal.
